Fighting the good fight in Southern Colorado.

American Identity Movement Leader Jeremy Riesberg (CO)

Jeremy Jeffery Riesberg is the head of the Colorado chapter of the hate group [American Identity Movement](#) (AmIM, formerly known as Identity Evropa). Under the aliases “Felden”, “Jackson”, and “Andrew Jackson”, Jeremy advocates for national socialism, illegally posts white supremacist propaganda, and coordinates a network of racists in from his home in Colorado Springs. Ironically, Jeremy is married to a black woman who gave birth to their interracial child.

Felden aka Jackson

Jeremy is the reason one of our core researchers began investigating the local alt-right. Jeremy used to threaten people, particularly women and minorities, on his now-banned twitter handles @Feldenk1 and @Felden89 back in 2017. We thank you for drawing their ire, as we wouldn't have have outed [many of your chums](#) without this comrade.

Hey Felden why do you hate human beings so much? What's wrong with you? Why have you chosen to be so hateful, so sexist and so racist? Why do you choose to spend your free time anonymously attacking strangers who have done you no harm? Can you answer any of these questions?

White Power Miscegenation

One of the more relatable things the Nazis do is support each other in major life milestones, like when they have babies. They even organize baby registries. It is very thoughtful.

 @everyone pleased to report that @Felden - CO and his wife are expecting a child on the 18th of October! If you're able to help them out with their registry, I'm linking it below.

My recommendation would be to go with your gut. Climbing in a larger group gives you a chance to observe others while not being occupied. Watching others catch falls, gives me confidence that they can catch me.

You are Family at Devil's Tower Lodge!

Review of Devils Tower Lodge

Reviewed May 27, 2014

Frank and Emma are the most fantastic people! Instantly felt welcome the moment I walked in the door. Frank has so many stories, memorabilia and knowledge of the Tower and its history. We had delicious family-style meals every night. We met so many wonderful people over the course of our stay. I didn't want to leave! Furthermore, if you want to climb, Frank and his guides are the people you want to go with! They provide personal and SAFE climbs, with encouragement all the way. Don't miss this place!

Whether Amy is aware of her husband’s white supremacy is unknown, but the fact that she is in the [extreme minority](#) of black women who [vote republican](#) does raise some concerns.

Social Democrat to National Socialist

Jeremy’s journey to being the neo-Nazi leader of the most active white supremacist group in Colorado is an interesting one. Much like many of our comrades on the left,

Jeremy started out as a Bernie bro, but he somehow ended up becoming a literal neo-Nazi in two short years.

[Kevin MacDonald](#) is an American Neo-Nazi author who argues that Jews are genitally programmed to destroy societies.

Jeremy didn't just *read* Kevin MacDonald, he swallowed his anti-Semitic pseudo-science until he became a self-identified [National Socialist](#).

I'm an actual white nationalist, and many of us are literal NatSocs and NazBols (National Socialist and National Bolshevik). This idea that we blindly support capitalism and austerity is a strawman. Nazi Germany actually had a more generous welfare program than modern America.

This is what happens when your anti-capitalism is not rooted in intersectionality. Don't do it kids, not even once. (Archive [1](#), [2](#))

Jeremy also likes to peddle far-right memes, like [fashtag](#), to highlight the perceived problem of liberals and the left calling anyone to the right of them Nazis. On it's surface, this is rich coming from a literal Nazi, but upon further consideration, this illuminates the likely truth that the "overzealous-left" rhetoric is largely created by fascists to recruit usefully ignorant reactionaries to do the heavy lifting of gaslighting anti-fascists and social justice advocates.

Notice that weird smudge on Jeremy's right arm? [Nazis often go to extreme lengths to cover up their more distinctive tattoos.](#)

Whoa! It looks like his arm has been strangely photo-shopped! "Optic cucks" indeed.

Jeremy also spends a lot of time retweeting a liking fan art from the new Pokemon game. As much as Patrick Casey likes to insist that his membership is "normal and

well adjusted”, they always end up being into some weird shit.

Conclusion

Jeremy currently resides in southeast [Colorado Springs](#) with his wife and son. For more information about Jeremy, [see this pastebin](#)

Jeremy Riesberg is the [second leader](#) of Colorado Identity Evropa/AmIM that we've exposed. Whichever of you chucklefucks steps up to the plate, know that you're next. No matter how good your OpSec is, every time an employer or family member googles you, "White Supremacist" will come up. Quit while you're ahead, we're better than you at this.

You will probably be kicked out of AmIM for your miscegenation, but we will never forget your white power wedgie
